

County Supervisor Mike Wasserman Tuesday, Feb. 13, 2018 - SCAPA Dinner, Meeting AND Presentation

Contributed by Paul Marshall
Tuesday, 16 January 2018

On Feb. 13, 2018, SCAPA will host our District 1 Supervisor, Mike Wasserman.

Download the flyer here and feel free to print and distribute. We would like to have a big turnout for this important guest speaker.

Supervisor Wasserman will lead off with a summary of his view of the county airports and the airports business plan update that is currently under way by county staff. He will also listen to our concerns regarding airport preservation, accepting FAA funds, hangar lease expirations, possible future county airport curfews, full time employee on airport, and similar issues.

Come listen, participate in the discussion, and enjoy the fellowship! Guests are welcome.

About our speaker:

Mike Wasserman became Supervisor of Santa Clara County District 1 in 2010, was reelected in 2014, and is up for reelection again in 2018. Mike has spoken at SCAPA several times and has been supported by SCAP-PAC in his election bids. He summarizes his approach as governing with "a head for numbers and a heart for people."
