Wednesday, 14 March 2018

Hi everyone,

It is my distinct pleasure to announce that the South County Airport Pilot Association (SCAPA) Board of Directors have once again decided to award three scholarships to deserving students enrolled in either pilot or AMT programs. I am excited to tell you that the scholarships this year will again be \$1,200! You should know, and pass on to the applicants that these scholarship are the only gifts or expenses that SCAPA awards during the year. The association, as a group is deeply committed to helping the aspiring aviation professionals in our community and are willing and able to put our money where our mouth is.

Please pass on this wonderful news to your students. The deadline for submittal is April 26, 2018.

Please convey to the students to not wait until the last minute as we would like well thought out letters, although they do not have to be lengthy. One to two pages is desired.

The following are links to:

* Instructions.

* Application form.

Thanks for all you do to provide the aviation community with highly educated new people to fill the spaces afforded by retirements, and industry expansion. Your efforts are essential and very much appreciated.

Warmest regards,

Pat
