Save the date! Saturday, December 8, 2018. We are once again holding our annual SCAPA Holiday Party at beautiful and historic Villa Mira Monte (aka Morgan Hill House) starting at 4:30 p.m.

Villa Mira Monte was built in 1886 by Hiram Morgan Hill for his bride, Diana Murphy Hill, as a country getaway from their home in San Francisco. Their visits led to the modern town's name, as train conductors would announce "Morgan Hill's!" when making special stops for the family and their guests. The house has been beautifully restored by the Morgan Hill Historical Society.

SCAPA Board members will provide mouthwatering main dishes, including turkeys and ham, and this year the deal one of your SCAPA board members has arranged includes side dishes. We're also providing soft drinks and water.

To round out the feast, we still need appetizers and desserts, as well as additional side dishes (we'll detail what side dishes we're getting in our deal with the turkeys and ham as we have those details), so please RSVP on Meetup and let us know what potluck dish you plan to bring.

For adult beverages, please BYOB.

SCAPA members, please sign up on www.meetup.com.
