

## SCAPA Membership Information

Over twenty years ago, a large group of local pilots banded together to help preserve and proactively protect our valuable South County airport, and to help all pilots and the surrounding community enjoy a safer, more enjoyable experience far into the future. Together we created the South County Airport Pilots Association, an organization whose mission is to:

- Preserve the South County Airport
- Improve community relations
- Participate in any planned growth
- Enhance flying safety
- Promote fellowship among South County Pilots

We invite all pilots at the airport to join us. Membership is whatever you make it &ndash; it can be as minimal as mailing in the membership dues each year and receiving the club's emails, or as engrossing as going to all the membership meetings, attending all the events, working on the various committees and activities within the club, and joining the board of directors. Each person has a different amount of available time that they want to apply, and we simply encourage all South County pilots at all points on this spectrum to join us.

Each second Tuesday of the month, we meet at the Wings of History Museum across from the airport. The evening starts at 5:00pm with a social hour, dinner is served around 6:00pm, and the general membership meeting and program starts promptly at 7:00pm. At the meeting we discuss club business, announce future events, and introduce an interesting aviation speaker. We throw a great holiday party in the winter and an end of summer BBQ party, and put on other activities such as club fly-outs and our participation and support activities for the annual Wings of History airport open house in the spring. We also conduct raffles and other fund raising activities to fund the scholarships that we provide to local youth to help them on their way to careers in aviation. Many of our pilots have flown in the EAA-sponsored Young Eagle events at our airport, where youth aged 8 to 17 are given their first flights in planes at no charge via volunteer EAA pilots. We also actively reach out to the Santa Clara county officials who operate and determine the future of our airport, monitor the various developments regarding the airport and work to protect the membership's interests regarding airport maintenance, improvement and preservation.

The web-based registration form on this web site is currently INOP, so in order to join the South County Airport Pilots Association, please send an email to [scapa.membership@gmail.com](mailto:scapa.membership@gmail.com) with your contact information including mailing address . You will be contacted by our membership chairman who will also activate your membership status. Membership dues are \$40 per year payable by check or online (by clicking on the HOME link at the top of this page, then on the yellow "Renew SCAPA Membership" button on the right side of the home page).

Treasurer, SCAPA

PO Box 1440

San Martin, CA 95046

You can also pay online!

For additional information, contact Paul Marshall, Membership Chairman.

Also, come say hello to us around the airport if you see us!

Best regards,  
The SCAPA Board of Directors
